## Abbey Cat Adoptions to the Rescue!

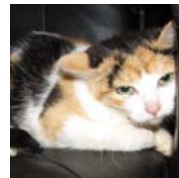

Martha & Stewart were dumped at a dog boarding kennel out in the country. They were terrified as they were chased by dogs until they were discovered and taken in to safety by a friend of Abbey Cat Adoptions.

The kittens are now safe

in their Abbey Cat foster home receiving lots of love and attention as they wait for their permanent family.

Stewart is very outgoing and friendly with children and adults.

Martha is taking a little longer to recover from her traumatic experience but will let you hold and

snuggle her tight and comes running when you offer her treats.

**Because they have had such a rough start it would be nice if they could go to their new home together.**

If interested in meeting them, please call (416) 284-2140.

## Adoption Record!

July's adoptions surpassed our expectations and we are proud to announce we've had 25 cats and kittens adopted! Way to go, Abbey Cats!

## A very successful Garage Sale

Abbey Cat Adoptions is very pleased to announce that we raised \$880 at our garage sale that took place on July 4th in Brampton!

We couldn't have been successful without the help of our volunteers and we'd like to thank the Georgian Triangle Karate Club for their support, Lisa for hosting it, Keri for advertising, Jean and Carol who blitzed the city with posters and Krista who stayed until 9pm helping us clear out the stuff. We would also like to thank Carina for storing the

donated items, Olga for going after the BBQ sponsorship and Shawn for making all the delicious burgers and hot dogs.

Special thanks go out to everyone who donated the items for the sale and to all the drivers and volunteers who responded so quickly to our request for help: Andrea, Anh, Aysha, Graeme, Jonathan, Kalai, Mahum and Yara.

**Thank you so much on behalf of our cats and kittens!**

## Abbey Cat of the Month: Lansdown

**Lansdown** is very sweet, quiet and gentle. He is fascinated by television – as soon as the TV is turned on, he is there! Like his brother Nolan, who has already been adopted, he is used to children and would be a great addition to almost any family! He was born on March 7th 2009.

**Call now to meet him:
