ACA and the Cat's Den

We are very happy to announce we have a new partner: The Cat's Den!

The Cat's Den provides our feline friends the best of both worlds: the safety of the indoors and the freedom of the great outdoors.

Bake Sale Coming Up!!!

Do you like baking? Do you enjoy eating baked goods? If you have answered "yes" to any of these questions, this event is for you!

On September 19th and 20th Abbey Cat Adoptions will be having a charity bake sale close to the Roncesvalles Polish Festival.

This is a huge event that people come to from all over the city and our sale will take place right in the middle of it all at Roncesvalles Village (Downtown West).

At this time, we are gathering volunteers and supporters to bake and donate the food which

we will sell on the front lawn.

The money raised will go to our rescue and adoption programs.

If you would like to participate by baking and/or donating food for the sale, please send an e-mail to abbeycats@gmail.com.

Abbey Cat cat's wish list:

1. Cat litter
2. Scratching posts and toys
3. Cat carriers with metal doors
4. Blankets and towels
5. Canadian Tire Money

If you would like to make a feline wish come true, please call us at 416 284 2140

Keeping up the Hope! (a.k.a. Holly Hill)

Since our last update, Holly Hill (now Hope) has had two appointments with the ophthalmic vet.

He is very pleased with the way her treatment is progressing, and is hopeful that surgery will not be necessary.

While some rescue organizations, as well as two vets would have given up on her, Abbey Cats did not, and she is very grateful for that.

This little girl is a fighter in the true sense of the word. She takes her medicine like

a trooper, and is very forgiving afterwards. She allows her new mom a quick cuddle, gives her a lick on the nose, jumps down and runs off to play.

Her next vet appointment is on September 14, so look out for an update on Hope in the next issue of **The Scratching Post!**

Abbey Cats of the Month: Sebastian & Oscar

Sebastian (tabby) and **Oscar** (buff and white) have suddenly found themselves homeless! Their family has moved and since they could not take them with them, they were left to be euthanized. Fortunately the vet didn't want to do this so he called us in to help - which we gladly did!

These cute fellows are used to kids. Sebastian loves to be petted and brushed and Oscar is super playful. They are friendly, big purrers, neutered and declawed.

**Call now to meet them:
